Bishop Leonard Saint Mary of the Mount Athletic Department

Dear Families of Bishop Leonard Saint Mary of the Mount Academy;

The Athletic Association is searching for students who are seriously interested in participating in our athletic program for this school year. We use the word serious because participating in athletics takes a commitment of time, energy and dedication. An athletic family commitment means:

- Attending ALL practices.
- Attending ALL games.
- Showing up on time for practices and games.
- A strong work ethic at all times.
- Parents work the concession stand during scheduled times.
- Maintain good grades.
- Maintaining appropriate behavior.
- Understanding his / her role on the team.
- Participating in athletic fund -raisers.
- A positive attitude.
- Being a TEAM Player.
- And Much, Much More.....

If you believe that you and your child are willing to make this commitment, please sign the Parent Involvement Form and the Code of Conduct.

Parent Involvement Form

While the school provides the opportunity for our child to participate in competitive sports by establishing the program and providing the coaches, we the parents realize it is important to take an active role in the extra – curricular program in which our child is involved. We understand that we are to take responsibility in the following:

- Providing transportation; for our son / daughter to and from practices and games.
- Work concession stand when assigned.
- Participate in the fundraisers established by the Athletic Association (Midnight Mountain Lion Madness and Cheerleading Competition).
- Cooperating with the school administrators and coaching staff in helping to make athletics an integral part of the educational process of our son / daughter.

We understand the above criteria and will abide by the rules established by Bishop Leonard Saint Mary of the Mount Academy Catholic School.

Code of Conduct

As we begin a new athletic season at Bishop Leonard Saint Mary of the Mount Academy, let us continue to build on a solid foundation of good sportsmanship, positive attitude and open communication.

Our mission here at BLSMMA is to educate and prepare all students to become active, contributing members of the church community by providing a challenging, caring, and nurturing atmosphere. We daily strive to foster in the mind of the child a sense of personal dignity and worth, as well as a respect for the uniqueness of others.

Athletics is an extension of the school program. All school athletic programs are to be viewed as part of the school curriculum. As a result, the principal is responsible for the conduct of the coaches, players and the spectators.

This code of conduct is a necessary policy that holds everyone (students and Parents) accountable for his or her actions and to keep BLSMMA members in good standing both in and around the community.

Each offence is treated differently, depending on the severity. The Athletic Association will hear the complaint and discuss the consequences at the monthly meeting. The principal will have the final say in the outcome.

This is your first and only warning! Please review the following with your children and go over the expected behavior for all Bishop Leonard Saint Mary of the Mount sports functions.

The following are prohibited:

- Using vulgar language.
- Using vulgar language and name – calling directed at coaching staff and /or the referee.
- Using vulgar language towards opposing teams coaching staff and players.
- Destruction / vandalism if BLSMMA school property or host facility property. (i.e. locker rooms, rest rooms, gymnasium, parking lot, etc).
- Inappropriate/disrespectful behavior of parent(s)/guardian(s) during and after games or events.
- Players who walk off the court during a game.
- Players repeatedly missing practice/games with out contacting the coach.
- Using weapons and or equipment to purposely injure another player, coach, fan or person while part of a team.
- Unsportsmanlike conduct of any kind in a Bishop Leonard Saint Mary of the Mount Academy/Athletic Association sponsored activity.

My child and I have read the above policy and understand its meaning and agree to abide to all policies.
